ASW IS GOLDEN

ASW products will help your spellers bring home the hardware. At the 2022 State UIL meet, 92 % of individual and team winners used ASW materials to help prepare for competition.

NO GRADERS... NO PROBLEM

Our online invitational program administers the test and grades it for you immediately. Graded tests and results can be accessed after the contest. No more begging for graders or struggling with handwriting! See our website or call us for details.

Need more practice leading up to high school regionals or state? Try our Used Invitionals, a set of 12 tests from the past season.
